

# Tired of card processing fees eating into your income every month?

Get that bill down to \$0.00!  
Yes, we mean **Z-E-R-O**.

It's actually pretty simple. The fees are paid by the cardholder at the time of purchase, rather than you on your monthly statement.

- \$ No** more transaction fees
- \$ No** more fixed fees
- \$ No** more rate changes to worry about

**Your processing fees really can be \$0.**

When you work with Simpay . . .

- \$** We calculate the percentages you charge
- \$** We make sure you stay in compliance
- \$** We give you the signs to post
- \$** We make it easy!

**We even give you a terminal to run the program for FREE!**

 **simpay**

**Act Today!**

And keep **MORE** of your hard-earned money tomorrow.
